Dear Dick:

On behalf of my colleagues, I want you to know how deeply indebted we are for your participation in our Guest Speaker Program on 21 February. Judging by the warm ovation from the audience and other comments, you were an unqualified success in articulating your reflections on a diplomatic career. We are particularly grateful that you took time from your very heavy schedule to share these experiences with us.

Again, on behalf of all your friends, admirers, and colleagues here, thank you very much.

Yours,

WJ Casey
